

SAMPLE LETTER

Dear Neighbor,

I hope this note finds you well.

During this gift-giving season, I considered what I could give you. I had various ideas, but really wanted to give you something meaningful, something that would benefit you.

The best gift I have to offer is to pray for you. I have seen God answer many prayers, both for myself and others. Whether it be healing for your body, a broken heart, a better job or a promotion, your marriage, or your children, I want to pray for it.

If you would allow me this privilege, please fill out the enclosed Prayer Request card. If you're not comfortable giving your name, just leave that blank, but let me know what you need from God. You can drop the card off at: **[insert details here]**

Also, when the prayer is answered, would you please fill out the Answered Prayer card and let me know what happened and how? You can drop the card off at: **[insert details here]**

I know God loves you, and I'm convinced He wants you to know it too!

May 2024 be your best year yet.

Warm Regards,

Your Name
