

PRAYER GUIDE

MAY 2026

We support several workers and their families. Below you will find their testimonies and prayer requests that they wanted to share with you. We invite you to celebrate and pray with us.

Making disciples in India

**ELIZABETH
RODRIGUEZ**

Praise Reports: One of our young adult girls, who used to live in the children's home and since then has been reconciled to her family--has now seen the majority of them come to Christ, including her boyfriend. Praising God for His supernatural provision, and way He continues to guide the team's steps as we meet new potential persons of peace.

Prayer Requests: For agreement in wisdom and discernment in how the Lord will facilitate the pathway for me to stay long term. For our house churches--members being attacked with sickness, and new believers with strongholds that they have yet to learn how to break. For us to be able to facilitate baptisms in safety. For protection for us workers, and local believers as the opposition is still very present.

Praise Reports: 1. God is forming an amazing young adult leadership team who are catching the vision for multiplying disciples in Nelson. 2. We are seeing an increasing hunger for prayer and the power of the Holy Spirit in the lives of young people. 3. There is strong momentum with our Jesus Club, being led by a group of students who want to reach their High School. 4. One of our incoming Missions Immersion students was recently fully funded!

Prayer Requests: For a newly started Jesus Disciple group in a nearby town to impact lives deeply and multiply to others. 2. For strength and growth in our community while The Harkins are in the USA on furlough 3. For God to draw in more Missions Immersion students for 2027 through The Harkins furlough in the USA. 4. For prayer to continue to expand and deepen among the young adults we lead, and for signs and wonders to follow.

Making disciples in the Caribbean

**JOHN &
DEBBIE
BOOKER**

Praise Reports: “Walk to Market” continues to grow and they are adding other market walkers to their DBS discipleship, making the walk a double blessing. The basket weaving classes have added Gardener Hats to their repertoire which will add a unique “hot seller” to their inventories! Jean’s solar charging station (last barrel) has provided a small income stream, and we are hoping to expand that with a laptop and printer to give him the only ‘print shop’ within 90 miles. Cuba is also surviving this season of trials and hoping for our JD/DBS Team to return soon. The 25 Families were able to take an offering to the Pastor’s wife and pray for her. She was very blessed.

Prayer Requests: The family of Jean’s pastor who recently passed away (comfort, peace, & provision). For rules (laws) to open up to allow medical clinics. Next ‘sustainability barrel’; for churches & groups to respond as ‘barrel fillers’. Protection & provision for our Cuba churches. Memphis: Peace & Blessing in our city. For Christians to continue to Arise and Shine, greater unity and collaboration.

Discipling people in the Middle East

Praise Reports: Grateful hearts—God is moving in quiet, powerful ways. Lives being touched, even when we cannot share how. Small moments carrying eternal weight. Children continuing to grow, learn, and thrive in school. Stability in daily life a true gift. Thankful for relative peace in the region despite surrounding tensions. Appreciative of leadership working to protect those within their borders. A steady reminder—God is present, active, and faithful in every unseen place.

Prayer Requests: Provision needed—praying for new and renewed financial support. Relationships deepening—pray for lasting impact and hearts drawn to Jesus. Increasing influence brings spiritual resistance—pray for protection, wisdom, and stronger faith. Health and endurance for the whole family. Covered under the wings of the Almighty. Pray for peace and safety for all affected by regional conflict—Christian, Jewish, and Muslim—that many would encounter Jesus as their peace, strength, and provision.

Making disciples in West Australia

Praise Reports: Chris was able to speak at youth camp with over 60 teens, and it was encouraging to see nearly 100% engagement from the teenagers. We are also having 2 new youth groups and 2 young adults groups looking to start Jesus Discipleship groups!

Prayer Requests: Please pray for the new Jesus Disciple groups that are launching with teens after youth camp. Pray for the kids' ministry leaders of Australia to continue in developing new discipleship courses for families and their children.

**CRISTAL
DURAN**

Making disciples in Fiji

Praise Reports: We recently hosted a youth worship gathering where around 20 university students attended from two different towns. It was such a blessing to see young people come hungry for the presence of God and experience healing, refreshment, and encouragement through the Lord. We are also currently hosting a fundraiser to help send two of our young adults to Bali for an upcoming Foursquare Conference, where they will continue to grow in leadership, discipleship, and ministry.

Prayer Requests: Pray for my visa situation here in New Zealand. My current visa only allows me to stay for three months at a time before I must leave and return again. I believe the Lord has called me to continue serving and building relationships here, so I am praying for favor and open doors for a longer-term visa. Please also pray for wisdom, provision, and peace during this season. In addition, we are launching our first JD discipleship training this week with three young adults. Pray that they would grow deeper in their faith and become strong disciples of Jesus.

**ELENA
RAZO**

Leading ministry in a prison and a local church in Guaymas, Mexico

Praise Reports: Federal Council Member for Sonora's 4th District, Ramón Ángel Flores, visited our Church on Saturday 4/25 during our Children's Festival. We had 85 children in attendance. He was very impressed and asked us to provide the future construction plans.

Prayer Requests: That the Lord will raise up leaders to disciple new members as our congregation continues to grow. And that He will bring in church members that are talented in construction to help expand the church building and will serve with a heart as working onto the Lord.

Making disciples among international students

Praise Reports: We had a great amount in attendance for A Night at The Cross on Good Friday. Many repented and everyone received personal prayer. We also have three people that have joined our lead team. So, with the 5 student leaders we have a good strong team. A much-needed help.

Prayer Requests: Pray for one of our team members who's struggling with someone else in a small conflict. Pray for us as we take several weeks away for restoration and renewed vision for the upcoming year.

PRAYER

***Father**, we lift up our workers family to You. Cover them with Your protection (2 Timothy 4:18; Psalm 91:4). Let angels guard their steps and Your presence go before them (Psalm 34:7). Provide for all their needs (Philippians 4:19). Bless them with divine favor (Psalm 5:12; Revelation 3:8). Raise up laborers to join them (Luke 10:2). Strengthen them for the harvest (Psalm 126:5; Isaiah 55:11). Use them mightily for Your glory. In Jesus' name, Amen.*
