

Hello,

I hope this note finds you well.

During this gift-giving season, I was thinking about what I could give you. I had various ideas, but I really wanted to give you something meaningful, something that would benefit you.

The best gift I have to offer is to pray for you. I have seen God answer many prayers, both for me and others. Whether it be healing for your body, a broken heart, a better job or a promotion, your marriage, or your children, I want to pray for it.

If you would allow me this privilege, please respond with your prayer request.

Also, when the prayer is answered, please let me know what happened and how.

I know God loves you, and I'm convinced He wants you to know it too!

May 2024 be your best year yet.

*"Call to Me and I will answer you and show you great and mighty things which you do not know."* Jeremiah 33:3
